Rockville, MD. 20857

10PPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,  
10BJECT to the definition of "inordinate amount" which restricts the availability  
and the right to obtain medically necessary compounded medications by limiting  
the number of prescriptions that can be shipped across state lines from specialized  
compounding pharmacies.

COMMENTS: The now present only way I  
can receive these medications is to  
have them shipped to me. It would  
drastically reduce my choices and my  
preferences to have restriction
